Dear Mrs. France:

Please be advised that I serve as general counsel for Jefferson County, Georgia.

This email is in response to the open records request you have recently sent to the Jefferson County Board of Elections. County Clerk Bonnie Wells is the designated Open Records Custodian for the County and all open records requests are required to be sent to her. However, this open records request has been sent to my office for response and review and I want to make sure that all requests are promptly answered.

I am told by our elections supervisor that no correspondence has been had between any elections staff member and any of the named individuals or entities listed in your letter of April 22, 2019.

Accordingly, there are no such documents or records to produce at this time.

Please do not hesitate to contact me if you have any additional questions.

Sincerely,

Dalton D. Dowdy
